

# GLAMPING AT **AFRICAMPS**

NOW ALSO IN  
KWAZULU-NATAL

*9 locations provide countless adventures in any season.*

AfriCamps Boutique Camping offers visitors the opportunity to get closer to nature while enjoying the comforts of a fully equipped luxury glamping tent set on one of the most beautiful working farms or estates in the country. After opening seven locations in the Western Cape and one in Mpumalanga, Africamps is now expanding to the KwaZulu-Natal Midlands! Getting closer to the landscape, the people and the food of a specific location is what creates a truly memorable and authentic South African experience and that is exactly what Africamps seeks to provide no matter what the season.

Experience the real South African farm life while still enjoying the creature comforts you love: a fully equipped kitchen, sitting area with comfy sofa, dining area with seating for five people, a spacious bathroom with a large hot shower, 2 bedrooms with crisp white linen on extra length beds (sleeping 5 people), aircon for the hot months and a fireplace and electric blankets for the cooler months, a spacious deck with wooden loungers and braai facilities and outdoor wood-fired hot tubs at selected locations.

## **Glamping on the Midlands Meander**

AfriCamps' newest camp opens in July 2019 and is set in the heart of the Midlands Meander route. Africamps at Gowan Valley with its rolling green hills, kiwi plantations, Nguni cattle, horses and the mighty Mpofana River introduces guests to the real KwaZulu-Natal farm life. Unwind in your own private outdoor wood-fired hot tub after exploring waterfalls, fishing in the nearby streams or hiking the breathtaking surroundings and soak up the relaxed Midlands atmosphere. Bookings are open and can be made on their website: [www.africamps.com](http://www.africamps.com)
